

Backyard ADVENTURES

your backyard...their adventure

Product Catalog

Welcome to Backyard Adventures

Thank you for including us in your search for a new play set! As you browse through our catalog, you'll focus first on all the things every parent holds dear – the safety features, the durable construction of our play sets, the variety of accessories and configurations, and the innovative value.

No catalog could possibly hold all the customized configurations available, so we encourage you to visit your local Backyard Adventures dealer. There, knowledgeable play set designers will work with you to customize the system that's right for your family, your budget, and your backyard.

Your dealer will learn about your yard and provide many play set options designed to work with your unique landscape, always keeping in mind the need for a safe play space. Many dealers will even visit your home to take measurements and help you pick the right spot! Once you've selected your new play system, your dealer will schedule a convenient time to assemble your play set right in your backyard.

Our innovative products, combined with service from your local dealer, guarantee a memorable shopping experience. We know your time is valuable, so you'll find it easy to shop for a Backyard Adventures play set. Our goal is to make designing a play set as simple as possible, without compromising quality.

Finally, we want you and your children to have fun with Backyard Adventures. Everything we do is focused on providing healthy fun for your family. Running, swinging, climbing, and jumping all build physical skills that improve endurance and develop coordination. Social play helps children develop decision making skills and build self-confidence. In addition, outdoor play improves your child's health and helps reduce the risk of childhood obesity. At Backyard Adventures we know that imaginative play is a child's work, and we build play sets that stimulate learning and creativity. As you consider our variety of play set options, we know you'll be satisfied with the Backyard Adventures play set you choose.

Treehouse play sets are the most modular, most customizable play sets available. Every Treehouse is intended to be unique for your family's specific needs, which makes a Treehouse play set perfect for a family with children of any age. The multi-level fort design provides safe play for both younger and older children in the same play system.

Peak play sets come standard with our most popular rock wall and other climbing accessories, and their unique angled upright design creates a safe place for the ever popular tire swivel swing. Peak play sets never compromise on quality and are adjustable in relatively un-level yard settings.

Treehouse and Peak play sets are constructed with the highest quality, premium materials and supreme engineering standards so you and your children can play together. Our unmatched construction with our industry leading limited-lifetime warranty guarantee your family a memorable play experience.

The game changing, all **new Summit Outlook Series** is the best value play set line ever made! Summit Outlook play systems are engineered for children of all ages, and are the highest quality play sets in their price range. Most importantly, Summit Outlook Series introduces the first every hybrid style play set so you can enjoy both a lower playhouse and a tire swivel swing in the same structure. No other manufacturer leads with this combination of quality and innovation.

Best of Backyard Adventures

1 Wood – Backyard Adventures uses all cedar wood, a premium lumber for outdoor use. Our cedar is free of toxic chemicals and certified to meet and exceed all ASTM standards for play set construction materials. Our lumber suppliers practice sustainable forestry to ensure long-term renew-ability and a healthy environment. Our cedar is superior in strength and durability so your play set will last longer. Cedar is naturally resistant to bug infestation, rot, and decay.

2 Flex walls – Our flex walls represent Backyard Adventures' commitment to innovation and simplicity. Now you can easily add accessories anytime by simply removing a flex wall panel to create an activity zone.

3 Compression clamps – The key structure joints on our Treehouse Series and many accessories are secured with compression clamps for incredible strength. Our compression clamps have tested twice as strong as traditional bolt-through joints. The all new 90 degree and in-line compression clamps ensure a strong and rigid play set.

4 Floors – Our play set floors are built just like your house! The floor joists, brand new shear hangers, and recessed floor design create a solid footing. Our floors are noticeably stronger, ensuring safe play for years to come.

5 Steel swing supports – The steel top plate and side strips are additional safety features against board failure. At Backyard Adventures, your family's safety is always our top priority.

6 Thick chains – Our exclusive ¼" powder-coated chains are noticeably thicker and stronger.

7 Safe slides – Our exclusive Rocket Slide is intelligently designed with high side walls and a safe exit so even your younger children can slide with confidence.

4 / www.backyardadventures.com

8 Marine rope (no splintering) – Our rope is marine grade for outdoor use. It does not splinter like cheaper ropes so little hands always have a secure, soft grip.

9 Adjustable height swing beams, monkey bars, and forts (Peak Series) – Our play sets are designed for relatively un-level backyards. We offer many features that adjust to fit the unique contours of your landscape.

10 Heavy duty swing hangers – Our commercial grade ductile swing hangers are the strongest swing hangers used on backyard play sets.

11 High quality stain – Our premium stain enhances the natural beauty of cedar and protects it from the elements.

12 Safety grip chains – The chains on our belt swings, infant swings, and toddler buckets are specifically designed for smaller hands with a comfortable rubber coating.

13 Quarry Climbers – These incredible rock climbing holds were hand sculpted by professional rock climbers. Quarry Climbers can be rotated to change the climbing experience as your children get older.

14 Arched walls – Arched walls make entering a play set easier and create a safer play area by not leaving our forts wide open.

15 Grab handles – Grab handles are strategically placed around the play set to ensure a safe play experience for your children.

· **Dealer service** – Your local dealer is the most valuable asset when choosing a play set for your family. Their friendly staff members are product experts, trained to teach you the most relevant information about selecting a backyard play set. Visiting a dealer is fun for the whole family, so take your kids and experience all Backyard Adventures has to offer.

· **Modular designs** – Backyard Adventures play sets are the most modular designs available. Visit your local dealer showroom to create a customized play set that's perfect for your family, backyard, and budget.

· **Best warranty** – Backyard Adventures warranties lead the industry in providing total customer satisfaction. We stand behind every play set we put our name on so you can be confident in your choice to own a Backyard Adventures play set.

· **Space savers** – Our space saving play sets and features create the most play value in small spaces. Ask your local dealer to design a space saving play set for your side yard or corner play space.

· **Flat ladder steps and hand rails** – All ladders are standard with flat steps and hand rails. This is always the safest way into a fort structure for children of all ages.

Treehouse Series

For more than a quarter century, our Treehouse play sets have been providing families with loads of delightful outdoor opportunities for creativity, adventure, imagination, socialization and plain old fun!

Fresh air activities are right outside your door with The Backyard Adventures Treehouse Series. Give your kid's video game thumbs a rest, get 'em off the couch, and into the yard. Keep an eye on everything from indoors, or go on out and join in their excitement as they explore, discover, learn and grow.

Let their imaginations soar as they create a fort, a pirate ship, a flying car, a vehicle for exploring other galaxies or, well, nearly anything your kids dream up. These beautifully designed and engineered play sets are guaranteed to produce smiles and laughter, plus give your kids the outdoor exercise and fun they need.

After all, play is a child's work. Help them do their job!

Space Savers

Over the years, hundreds of parents have told us that as much as they'd love a new Backyard Adventures play set, their yards were just too restrictive to accommodate a fort, swing beam, slide, and accessories. So this year, we're highlighting our most popular configurations designed exclusively for smaller spaces.

For example, the Adventure Treehouse Junior or Jumbo with 2 Position Accessory Arm is loaded with fun activities and perfect for a corner yard location. These play sets have all the same quality and safety features as any other Treehouse design.

Space Saver play sets may be smaller, but they don't compromise play value! Together with your local Backyard Adventures dealer, you can create many play set configurations with the same features and accessories of our regular sized sets in a more compact design. You can add rock walls, picnic tables, or sandboxes without increasing the space requirements.

Space Savers will fit in almost any yard, and still leave room for the surrounding safe area around the play set. Visit your local Backyard Adventures dealer to learn about the ultimate space-saving flexibility of our compact play sets and accessories!

Adventure Bridge

The Adventure Bridge is more than just a connection point for two or more play sets; it's a play area in and of itself. The Adventure Bridge is a perfect place for a ship's wheel, binoculars, telescope, periscope and of course, endless imagination. And the large area underneath the Adventure Bridge can provide ample room for a tire swivel swing.

Now with the all new Adventure Bridge, you can add up to six additional accessories to the flex walls. This means you can add slides, a rock wall, gang plank, fireman's pole, or more accessories to either side of the bridge. Only Backyard Adventures has a bridge with so much flexibility. The combinations of our Treehouse Series and Peak Series play sets with the Adventure Bridge are endless!

Note: The points of connection for the two play sets must have the same deck height, and design considerations may affect the point at which your two play sets are attached.

Triangle Bridge

The totally unique Triangle Bridge is a Backyard Adventures exclusive. You are no longer limited to 90 degree angles for your forts and accessories. The Triangle Bridge attaches two Treehouse forts at the corners and makes a 45 degree play area for additional accessories.

The 45 degree angle also creates many new space saving opportunities. You can connect a longer slide to one of the Treehouse forts with less space by attaching the slide so that it travels along the back side of the other fort. The Triangle Bridge possibilities are limitless!

Add slides, a gang plank, fireman's pole, or an extra ladder to the flex walls on the Triangle Bridge. Talk to your local dealer about how you can use the Triangle Bridge to design a combo play set for your backyard.

Note: The points of connection for the two play sets must have a 1 foot difference in the two deck heights, and design considerations may affect the point at which your two play sets are attached.

Treehouse Combo Play Set

Get ready to say, "ohmygosh!" The Adventure Bridge and the Triangle Bridge, Backyard Adventures exclusives, connect multiple play sets to create a mega- monster playground with enough funfabulous activities for everyone! See. You just said, "ohmygosh!"

Any Treehouse Combo Play Set will make your back yard the neighborhood place to be. Plus, you'll be able to keep an eye on all the fun happening back in your own backyard.

Visit your local Backyard Adventures dealer for more ideas on how to create challenging but safe play sets that can grow with your children!

Peak Series

Got a yard that's uneven? Hey, no problem! We've built this one with a "level" head, just for your backyard needs. With all the best features of our angled leg units, the new Backyard Adventures Peak Series is specially designed to adjust for relatively un-level yards. Whether you choose the Peak Junior (5.5' x 5.5' deck space) or Peak Jumbo (7.5' x 5.5' deck space) with gigantic triple activity wall, your back yard will be the neighborhood hot spot!

- Modular design
- Tarp and Wood Roof options
- Highest quality construction
- Angled upright design
- Deck heights 5', 6', 7', 7.5' and 8.5'
- Swing heights 8', 9' and 10'
- Slide lengths 10', 12' and 14'

Yes! We know kids. And kids love to climb! So we've stocked every Peak series play set with our most popular and super-cool climbing options: rock wall, chain ladder/flat-step ladder combo, and accessory arm with rope ladder. You also get a tire swivel swing and an accessory arm with trapeze bar with every Peak fort. Make it even more kid-cool, by customizing it with swing beams, slides, monkey bars and a loft. Ready for takeoff! Zoom!

Pssst! Here are a few other adult-friendly features you're gonna love. The New Peak Series is an exclusive combination of play value, quality, reliability and fun. Your dealer can help you design a set that's perfect for your space, family and budget.

Summit Outlook Series

Can I have your attention please! Calling all moms and dads, we have some really BIG news...Would you like to customize a play set without breaking the bank? Would you like to choose each play feature for your children, not compromise on quality, and still have money left over for that much needed family vacation? If so, this unique line of high-quality play sets is exactly what you've been looking for.

We are proud to introduce the all new, totally innovative Summit Outlook Series. There's truly nothing like it in all the world of play sets! With two deck sizes, two deck heights, two swing beam heights, multi-deck configurations, lots of fun accessories, and a beautiful new color pallet, Summit Outlook play systems are the new standard in low and mid-priced specialty play sets.

We have spent years developing this play set line, and as a result we are confident Summit Outlook Series is the best value available. You may first notice the new color pallet of light brown and mahogany colored stains that give these play sets a rich look, but there's even more. The all new, unique hybrid style option lets you design play sets with both a lower playhouse and a tire swivel swing in the same structure. You can't find this innovative value anywhere else!

- Modular design
- Tarp and Wood Roof options
- High quality construction
- Vertical upright and Angled upright designs
- Multi-level vertical and angled upright hybrid designs
- Deck heights 5' and 6'
- Swing heights 8' and 9'
- Slide lengths 10' and 12'

We know what matters most to you. We understand the value of your time, the fact that each family is unique, and that one size does not fit all for your backyard, your family, and your budget. As you shop for a backyard play set, we encourage you to pay close attention to every construction, design, and quality detail. With so many value play sets that all look the same, you'll see clearly how we stand apart. We look forward to sharing our Summit Outlook play sets with your family.

Un-Level Yard Installation

Backyard Adventures dealers are experts at designing and installing our play sets to fit almost any backyard layout. The creative play set designers at your local store will take the time to understand the unique features of your play area. They will work with you to create the perfect backyard playground for your family.

Backyard Adventures dealers have perfected the art of custom play set design, and here you can see a few examples of their creativity. Our dealers can order special fort uprights in various lengths to create amazing play systems for the most unique settings.

If you feel your backyard is not suited for a premium play system, contact your local Backyard Adventures dealer before you decide on compromising for a smaller play set. You might just be surprised what one of our authorized Backyard Adventures dealers can do for your family and your backyard!

*Additional fees may apply for un-level yard installations.

Safety & Maintenance

Choose the safest possible location for your Backyard Adventures play set.

It is very important to assemble your play set level, so it can rest securely on the ground. You should also maintain a safe play area around your play system. Ideally, any stationary component such as a fort, ladder, slide, or rock wall should be no less than six feet from any structure or obstruction including a fence, tree, electrical wires, curbing, or a house.

Choose the most sensible ground cover for your dedicated play area.

You have many options when it comes to ground cover; to name a few, wood chips, sand, pea-gravel, or rubber mulch. You may also choose to just place your set directly on the grass or artificial turf. (Although grass is not the ideal cover for the safest play, it is common.) An absolute no-no is to place your play set over concrete or asphalt, regardless if you add any of the above listed ground covers.

Taking care of your play set is no different than any other big investment you make.

Periodic tightening of nuts and bolts will ensure the safety of your children while at play. In addition, an annual “tune-up” for your play set is highly recommended. Please contact your local dealer to inquire about their Service Program, which may include a complete safety check, play set cleaning, light sanding where needed, hardware tightening and last but not least, an application of Backyard Adventures original stain. By doing so, your investment is sure to last a lifetime!

Authorized Backyard Adventures dealers ... priceless.

Our Dealers are there for YOU! They are ready and willing to help you make the perfect choice when it comes to choosing your play set, location, installation, or ground cover. After you purchase your play set, your local dealer is just a call away to assist you in adding additional fun accessories or helping you maintain the luster of your play set. You can always purchase Backyard Adventures Wood Glow stain at your local dealer store. They can even move or assist you in moving your play set to a different location if necessary. We are proud of our Dealer network and know you will be as well.

Treehouse and Peak Series WARRANTY

BACKYARD ADVENTURES LIMITED WARRANTY FOR TREEHOUSE AND PEAK SERIES BRANDS

This Limited Warranty applies to products manufactured by or on behalf of BACKYARD ADVENTURES®, Inc. under the Treehouse™ Series and Peak™ Series trade names.

All wood, Rocket Slides™, Super Slides, Turbo Slides, Mega Slides, powder-coated steel components, and hardware are covered by a Limited Lifetime Warranty, that is, they are warranted for so long as the original owner owns such parts, accessories and components against rot and decay or defects in workmanship and materials that affect the structural integrity of the parts, accessories and components. In the event of any rot, decay or defect during the period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

BACKYARD ADVENTURES®, Inc. warrants that this product will be free from defects in materials and workmanship for a period of five (5) years from the original date of purchase. This five (5) year warranty covers all parts not mentioned in the above Limited Lifetime Warranty. In the event of any such defect during the five year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

In addition, within the first 30 days from date of purchase, BACKYARD ADVENTURES® will replace any parts found to be missing from or damaged in the original packaging.

This warranty applies to the original owner and registrant only and is non-transferable. Regular maintenance is required to assure maximum life and performance of this product and failure by the owner to maintain the product according to the maintenance requirements may void this warranty. Maintenance guidelines are provided in the Owner's Manual.

This Limited Warranty does not cover:

- Labor for any inspection.
- Labor for replacement of any defective item(s).
- Incidental or consequential damages.
- Cosmetic defects which do not affect performance or integrity of a part or the entire product, including surface rust and peeling or chipping of paint.
- Vandalism, improper use, failure due to loading or use beyond the capacities stated in the applicable Assembly Manual.
- Acts of nature including but not limited to wind, storms, hail, floods, and excessive water exposure.
- Improper installation including but not limited to installation on uneven, un-level, or soft ground.
- Minor twisting, warping, checking, or any other natural occurring properties of wood that do not affect performance or integrity.

BACKYARD ADVENTURES® products have been designed for safety and quality. Any modifications made to the original product could damage the structural integrity of the unit leading to failure and possible injury. Modification of the original product voids any and all warranties and

BACKYARD ADVENTURES® assumes no liability for any modified products or consequences resulting from failure of a modified product.

These Limited Warranties apply to play sets purchased for and/or used in RESIDENTIAL USE ONLY.

This Warranty gives you specific legal rights. You may have other rights as well which vary from state to state or province to province. This warranty excludes all consequential damages, however, some states do not allow the limitation or exclusion of consequential damages and therefore this limitation may not apply to you.

Summit Outlook Series WARRANTY

BACKYARD ADVENTURES LIMITED WARRANTY FOR SUMMIT OUTLOOK SERIES BRAND AND DEALER PRIVATE LABEL PRODUCTS

This Limited Warranty by BACKYARD ADVENTURES® applies to products manufactured under the Summit Outlook™ Series name and all other products sold to Dealers intended for private label use.

All wood, Rocket Slides™, powder-coated steel components, and hardware are warranted for ten (10) years from the original date of purchase against rot and decay or defects in workmanship and materials that affect the structural integrity of the parts, accessories and components. In the event of any rot, decay or defect during the ten year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

BACKYARD ADVENTURES®, Inc. warrants that this product will be free from defect in materials and workmanship for a period of two (2) years from the original date of purchase. This two (2) year warranty covers all parts not mentioned in the above ten (10) year warranty. In the event of any such defect during the two year warranty period, BACKYARD ADVENTURES® will remedy the defect as described herein, without charge to the purchaser for parts, as soon as practical. The remedy will consist of repair or replacement of the product, or refund of the purchase price, at the discretion of BACKYARD ADVENTURES® after opportunity to inspect the alleged defect or photographs thereof. However, BACKYARD ADVENTURES® will not elect to refund the purchase price unless it is unable to provide a replacement, and repair is not commercially practicable or cannot be made within a reasonable time. All freight and labor charges will be the responsibility of the purchaser.

In addition, within the first 30 days from date of purchase, BACKYARD ADVENTURES® will replace any parts found to be missing from or damaged in the original packaging.

This warranty applies to the original owner and registrant only and is non-transferable. Regular maintenance is required to assure maximum life and performance of this product and failure by the owner to maintain the product according to the maintenance requirements may void this warranty. Maintenance guidelines are provided in the Owner's Manual.

This Limited Warranty does not cover:
